Semester 1

Class: P2 / _____

22 March 2018

Dear Parents/ Guardians,

Assessment is an important aspect of learning and teaching and it is used to support the holistic development of the students. Holistic assessment in our context refers to the ongoing gathering of information on different facets of the students' learning from various sources, with the aim of providing feedback to support their development. For parents, holistic assessment enables you to have a clearer idea on your child's learning.

The conduct of bite-sized assessment in Primary Two serves as a continuous effort to help build the students' confidence and desire to learn.

Below is a summary of the assessment modes and weightings of English, Chinese and Mathematics in Term 2 for your information.

- The MC or letter of excuse with supporting document(s) must be submitted to the school on the day the absentee returns to school.
